MEMORANDUM

ROLLINS COLLEGE

FROM: Joseph F. Mulson, Secretary

December 14, 1981

TO: Faculty of "The College"

cc: The College Archives

Subject: Faculty Meeting of December 7, 1981

The following motion was made and seconded.

The procedures for electing faculty to the appropriate governance positions at this meeting will be those submitted (see handout) by the nominating committee.

Explanation of those procedures were given by Steve Phelan. The motion was passed.

The following motion was made and seconded.

The Dean of the Faculty be authorized to establish a Department of Business Studies within The College, to have jurisdiction over the business minor in the College and in Continuing Education and over any business-related minors that may be later established.

Discussion proceeded on the motion interspersed with the elections.

Some brief points in the discussion:

Question:

Why move responsibility for the business minor from Crummer (Dean Shatz) to the College (Dean DeNicola).

Some answers:

It would be financially more economical.

It would provide a more logical place to tenure accounting professors.

Since the primary role of this department would be undergraduate teaching, it would be more sensitive to student needs.

The motion passed.

Jack Lane suggested to the Faculty Chair (Hoyt Edge) that the divisions be used as forums to discuss important issues before being brought to the faculty for decisions.

The voting was completed and the meeting adjourned at 5:24 PM.

For results of the elections see nominating committee's report dated December 9, 1981.
